

SPEND A WEEK
IMMERSED
IN THE ARTS

JUBE SCHOOL

NORTHERN ALBERTA JUBILEE AUDITORIUM

Jube School promotes experiential learning to inspire students as they engage in community partnership and inquiry based learning.

Integrate visual art, drama, music and movement while incorporating core subject areas or multidisciplinary endeavours. Jube School encourages creative thinking, connections with industry expertise, and relevant learning opportunities unique to the venue.

EXPLORATION THROUGH THE LENSES

of various perspectives, competencies, and careers provide students a natural step in considering their own personal curiosities and potential strengths and interests, whether it be on stage or behind the scenes.

Personalize your week to meet student learning goals (grades 2-9) while students explore the Jubilee Auditorium from the inside out.

The Jubilee Auditorium is Alberta's premier cultural and community facility for all Albertans. Jube School essentially offers an opportunity for learning and doing what couldn't be done in a school classroom.

SHINE A SPOTLIGHT ON NEW LEARNING JOIN US AT JUBE SCHOOL.
