MEMORABLE

LUXURY SUITE

CAPACITY

24 Stand-up receptions

16 Seated round tables

12 Classroom-style

The Luxury Suite is situated in an intimate alcove on the first balcony level. This stylish space is an ideal size for small group events. The tasteful décor, contemporary furnishings and functionality of the room is as comfortable as your living room with a private bar. This suite is perfect for board meetings, team retreats and pre or post show receptions.

MEETING ROOM

CAPACITY

70 Theatre-style

80 Stand-up receptions

56 Seated round tables

32 Classroom-style

The Meeting Room is ideal for a variety of events. The intimate feel and quiet location is just right for your presentation or reception. You'll enjoy this elegantly decorated setting with private bar.

BANQUET ROOM

CAPACITY

- 150 Theatre-style
- 200 Stand-up receptions
- 150 Seated round tables
- 100 Classroom-style

If you are looking for a spacious room that combines versatility and ambiance, the Banquet Room is for you. Ideal for weddings, galas or holiday parties, this multifunctional room has a private bar and servery.

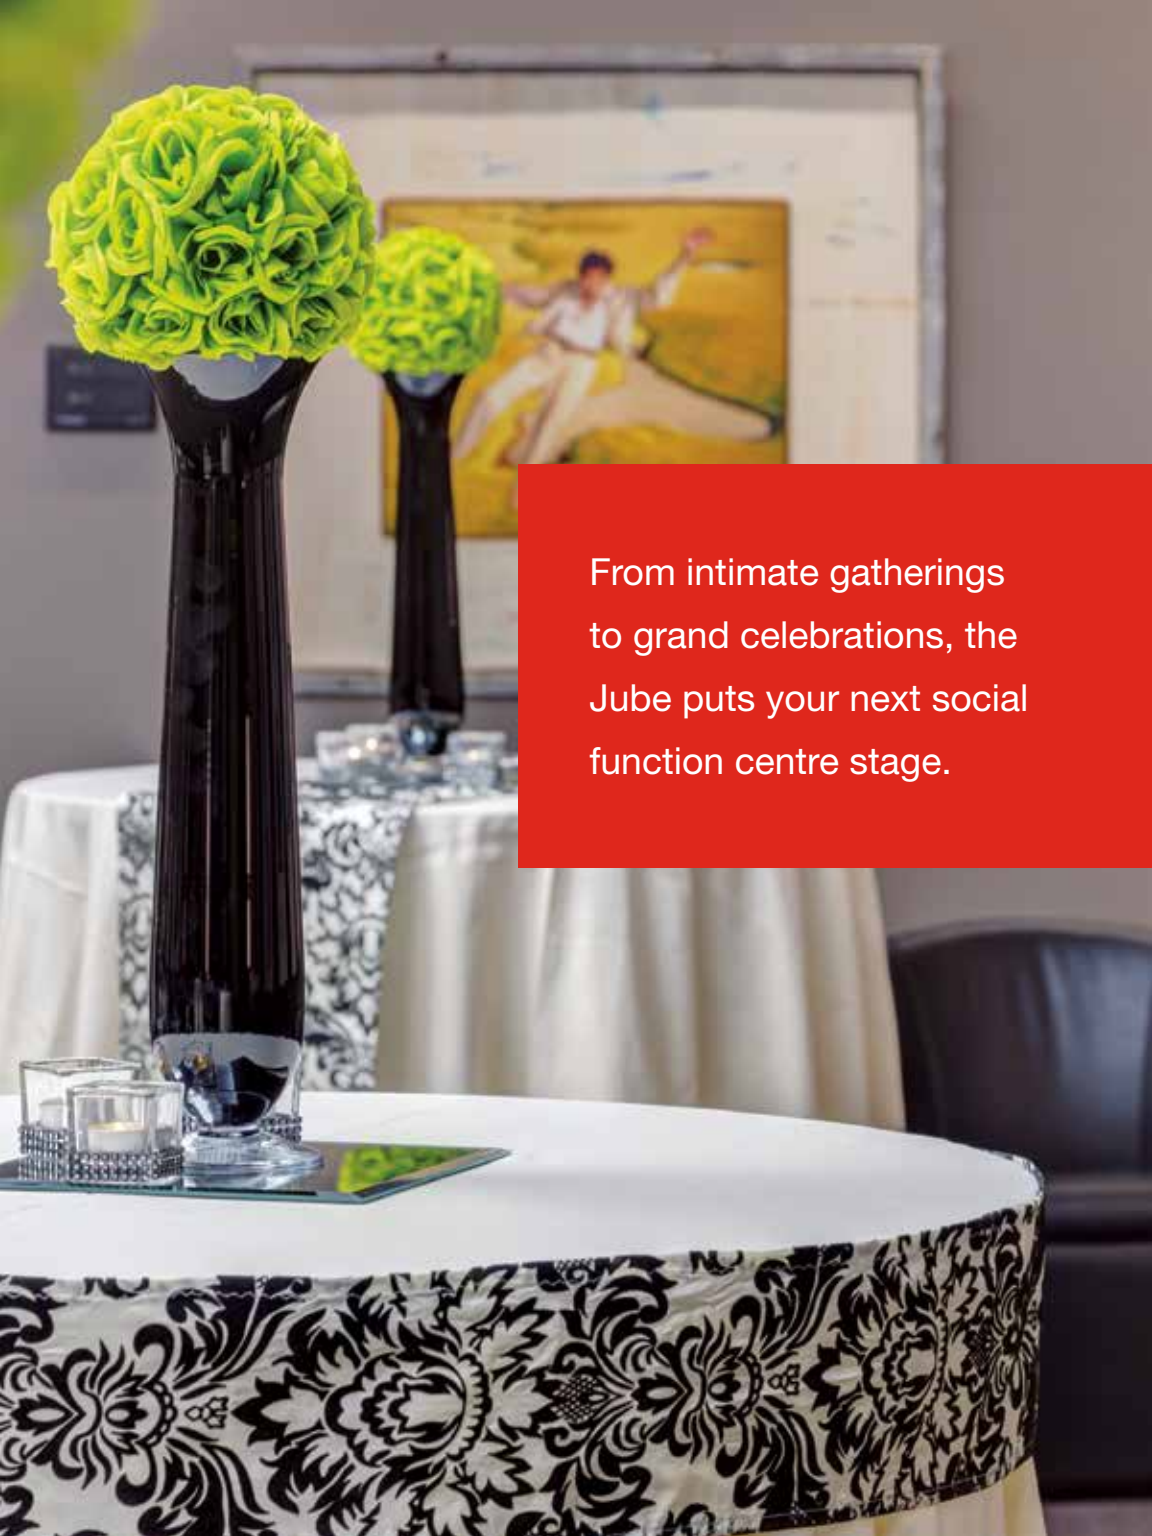

KAASA LOBBY

CAPACITY

- 150 Theatre-style
- 200 Stand-up receptions
- 150 Seated round tables

This elegant retreat is situated between the Banquet Room and Meeting Room. Use the Kaasa Lobby on its own or in conjunction with another space to customize your event. The Kaasa Lobby features a rotating art exhibition that highlights Alberta artists.

From intimate gatherings to grand celebrations, the Jube puts your next social function centre stage.

FOR YOUR EVENT

ROOM SET-UP

We have the rooms, tables and seating you need. Our staff can work with you to arrange any additional set-up requirements.

CATERING

Choose from our preferred catering partners to accommodate anything from light snacks to plated service.

BAR SERVICE

Select a host or cash bar served by our friendly and knowledgeable staff.

TECHNICAL REQUIREMENTS

With the Jube's world-class technicians, you can elevate your presentation or connect with the globe using the audio, visual and virtual meeting room capabilities.

ACCESSIBILITY

All rooms are fully accessible.
