NAJA SITE MAP

LOADING DOCKS with levellers (3) – West side of Building

- Trailer staging - before load-in, trailers may park along the main lobby doors/north side of venue. There is no access to venue loading docks from the south. Reverse from FOH into loading docks via west side of venue past the parking kiosk.
- Three (3) Loading Docks with dock levelers.
- Docks are on west side of venue (doors facing north).
- Overhead Door Dimensions - 10' 1" H x 9' 8" W (3M x 2.9M)
- Docks are located at stage level; approximately 100' flat push to stage left.
- Trailers may stay parked on up to 2 docks.
- Dock #1 or Dock #2 must be left open for venue shipping and receiving.
- Do not leave valuables in trailers on Dock #2 or Dock #3; canvas dock shrouds do not secure the trailer.
- No tractor may remain on Dock #3 trailers; they block the emergency egress path (yellow hatched area).
- Dock #3 can be challenging to park a 53' trailer due to obstructions.
- Dock #3 trailer is blocked in by Dock #2 trailer; please park with this in mind.

ADDITIONAL TRAILER PARKING:

Five (5) Trailer parking spots in SW lot corner.
 One (1) Trailer parking spot at FOH; *wrapped trailers only*.
 Supplied landing gear blocks must be used.
 Gates must remain clear.

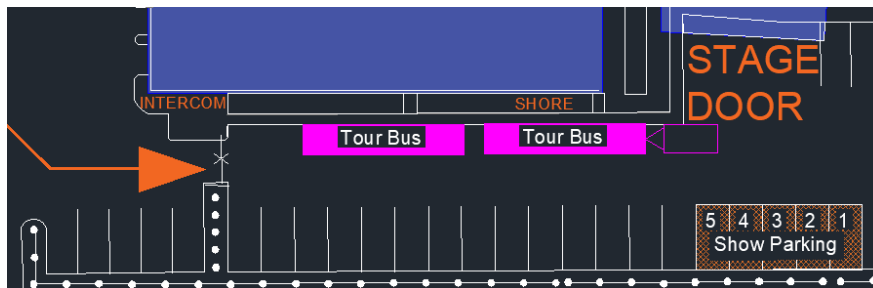

GARAGE DOOR grade/stage level:
